

# Scientific Program (Sultana Hall)

Activity Type: Knowledge-based

## Opening Day (Day 1): Wednesday, September 11, 2024

Time	Topic	Speaker
------	-------	---------

19:00 – 20:00	Opening Remarks	
20:00 – 20:30	Opening Session: Conference Chair Speech	Prof. Ahmed Aljedai
	Dinner	
Day 2: Thursday, September 12, 2024		
Time	Topic	Speaker
08:00 – 09:00	Conference Registration	
Session 1: Vision in Action: Shaping Saudi Arabia's Healthcare Transformation		
Moderator: Dr. Hisham Badreldin		
09:00 – 09:20	Redefining Healthcare: National Healthcare Transformation in Saudi Arabia <b>Objectives:</b> <ul style="list-style-type: none"><li>Review the key differences between national and global approaches to healthcare transformation</li><li>Discuss the role of various healthcare professionals (HCPs) beyond pharmacists in national and global healthcare transformation initiatives</li><li>Identify challenges and opportunities associated with integrating national and global healthcare strategies</li></ul> <b>CE hour: 20 minutes</b>	Dr. Khalid Alshaibani
09:20 – 09:40	Adoption of Value-based Care Model at a National Level: Paving the way! <b>Objectives:</b> <ul style="list-style-type: none"><li>Discuss the importance and application of the EQ-5D-5L tool in health technology assessment</li><li>Review disparities in healthcare access among public, private, and mixed sectors within the Kingdom of Saudi Arabia</li><li>Review the privatization process in Saudi healthcare, its progression, and its consequences on the quality and accessibility of patient care</li></ul> <b>AUN # 0662-0000-24-001-L99-P</b> <b>CE hour: 20 minutes</b>	Prof. Ahmed Aljedai
09:40 – 10:00	Addressing Healthcare Disparities in Different Regions in Saudi Arabia <b>Objectives:</b> <ul style="list-style-type: none"><li>Explain the density and geographical disparities of pharmacy practice in urban versus rural and small-city settings in Saudi Arabia</li><li>Outline the challenges impacting the distribution and operation of pharmacy practice in rural areas of Saudi Arabia</li><li>Discuss the methods employed in projecting and planning for the pharmacy workforce to meet regional healthcare needs</li><li>Describe strategies to improve the distribution and quality of pharmacy practice in rural areas</li></ul> <b>AUN# 0662-0000-24-003-L04-P</b> <b>CE hour: 20 minutes</b>	Dr. Khaled Alabdulkareem
10:00 - 10:15	Panel Discussion	
10:15 – 10:25	Coffee Break	
Session 2: Leading Health with Impact: Pharmacy Leadership in a Global Context		
Moderator: Dr. Osama Tabbara		
10:25 – 10:45	The Role of International Pharmaceutical Federation (FIP) in Advancing Global Pharmacy Profession <b>Objectives:</b> <ul style="list-style-type: none"><li>Explain the importance of cross-border collaboration in pharmacy practice</li><li>Identify key challenges and barriers to cross-border collaboration in pharmacy field, and explore effective strategies to overcome these challenges</li></ul>	Dr. Paul Sinclair

	<ul style="list-style-type: none"> <li>Discuss successful examples of cross-border collaboration initiatives in pharmacy profession</li> </ul> <b>AUN# 0662-0000-24-004-L99-P</b> <b>CE hour: 20 minutes</b>	
10:45 – 11:05	<b>Effective Leadership Competencies for Clinical Pharmacists</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Define leadership in the context of clinical pharmacy practice and explore its significance in driving innovation and advancing healthcare</li> <li>Identify key leadership competencies essential for clinical pharmacists</li> <li>Discuss strategies for developing and enhancing leadership skills within the clinical pharmacy workforce</li> <li>Explain how leadership in clinical pharmacy can influence healthcare policy, education, and practice standards regionally and globally</li> </ul> <b>AUN# 0662-0000-24-005-L99-P</b> <b>CE hour: 20 minutes</b>	Prof. Jo Ellen Rodgers
11:05 – 11:25	<b>Empowering Population Health: Leadership in Advancing National Population Health and Surveillance to the Global Level</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Recognize the key components and strategies of national population health initiatives and their impact on global health surveillance systems</li> <li>Discuss the effectiveness of leadership approaches in advancing population health initiatives from a national to a global scale</li> <li>Explain leadership principles to foster global collaboration and innovation in local population health initiatives aimed at enhancing national health outcomes</li> </ul> <b>AUN# 0662-0000-24-006-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Suliman Alghnam
11:25 – 11:40	Panel Discussion	
11:40 – 13:00	Prayer and Lunch Break	
<b>Special Panel 1: Healthcare Accessibility in the Kingdom of Saudi Arabia</b> <b>Moderator: Dr. Hala Joharji</b>		
13:00 – 13:50	Healthcare Accessibility in the Kingdom of Saudi Arabia	Dr. Hadi Alenazy Dr. Shabab Alghamdi Prof. Awad Alomari Dr. Abdulrahman Alqahtani Dr. Wael Yar
13:50 – 14:00	Coffee Break	
<b>Session 3: Future Frontiers: Revolutionizing Pharmacy Education and Clinical Research</b> <b>Moderator: Dr. Omar Alshaya</b>		
14:00 – 14:20	<b>Technical Standards for Advancing Pharmacy Education</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Explain the role and importance of technical standards in enhancing the quality and consistency of pharmacy education across different institutions.</li> <li>Identify and discuss key technical standards relevant to pharmacy education</li> <li>Explain how technology can be integrated into pharmacy education to meet technical standards, such as e-learning platforms, and digital assessment tools.</li> <li>Discuss common challenges faced by educational institutions in implementing technical standards and propose best practices to overcome these challenges.</li> </ul> <b>AUN# 0662-0000-24-009-L99-P</b> <b>CE hour: 20 minutes</b>	Prof. Jo Ellen Rodgers
14:20 – 14:40	<b>Advancing Clinical Pharmacy through Research: Navigating Funds and Grants</b> <b>Objectives:</b>	Prof. Majed Aljeraisy

	<ul style="list-style-type: none"> <li>Recognize the significance of clinical research in advancing evidence-based practice</li> <li>Identify various sources of funding and grants to support clinical pharmacy research projects</li> <li>Discuss the importance of translation of funded clinical research into clinical pharmacy practice to improve patient care and outcomes</li> </ul> <p><b>AUN# 0662-0000-24-008-L99-P</b> <b>CE hour: 20 minutes</b></p>	
14:40 – 15:00	<p><b>Pathways to Excellence: Residency, Fellow, and Specialized Professional Programs</b></p> <p><b>Objectives:</b></p> <ul style="list-style-type: none"> <li>Identify the role of post-graduate training programs in preparing pharmacists for advanced clinical practice</li> <li>Discuss the difference between ASHP accreditation and SCFHS accreditation in terms of standards, processes, and international recognition</li> <li>Review the eligibility criteria and application process for residency, fellowship, and professional programs in clinical pharmacy</li> <li>Discuss the impact of post-graduate training on career advancement and specialization in pharmacy practice</li> </ul> <p><b>AUN# 0662-0000-24-010-L99-P</b> <b>CE hour: 20 minutes</b></p>	Dr. Ahmed Aldemerdash
15:00 – 15:20	<p><b>Clinical Pharmacy Faculty Provision of Direct Patient Care, Challenges, and Opportunities</b></p> <p><b>Objectives:</b></p> <ul style="list-style-type: none"> <li>Identify the role of clinical pharmacy faculty in providing direct patient care and interdisciplinary collaboration</li> <li>Discuss the challenges faced by clinical pharmacy faculty in delivering direct patient care</li> <li>Describe opportunities for clinical pharmacy faculty to enhance and promote patient care</li> </ul> <p><b>AUN# 0662-0000-24-011-L99-P</b> <b>CE hour: 20 minutes</b></p>	Dr. Nora Alkhudair
15:20 – 15:40	<p><b>Fostering Success: The Impact of Mentorship on Career Development in Clinical Pharmacy</b></p> <p><b>Objectives:</b></p> <ul style="list-style-type: none"> <li>Highlight the significance of mentorship in shaping professional growth of healthcare professionals</li> <li>Identify key factors for the success of mentorship programs within the pharmacy profession</li> <li>Discuss models for implementing an effective mentorship program</li> </ul> <p><b>AUN# 0662-0000-24-012-L99-P</b> <b>CE hour: 20 minutes</b></p>	Dr. Osama Tabbara
15:40 – 15:55	Panel Discussion	
15:55 – 16:05	Coffee Break	
<b>Session 4: Conquering Infections: Challenges and Management in Infectious Diseases</b> <b>Moderator: Dr. Thamer Almangour</b>		
16:05 – 16:25	<p><b>New Treatment for Cytomegalovirus Infection</b></p> <p><b>Objectives:</b></p> <ul style="list-style-type: none"> <li>Review newer drugs for cytomegalovirus infection</li> <li>Discuss clinical trials evaluating new cytomegalovirus drugs</li> <li>Explain the place of therapy for newer cytomegalovirus drugs</li> </ul> <p><b>AUN# 0662-0000-24-013-L01-P</b> <b>CE hour: 20 minutes</b></p>	Dr. Yazed Alsowaida
16:25 – 16:45	<p><b>Self-Administered OPAT Challenges and Opportunities</b></p> <p><b>Objectives:</b></p> <ul style="list-style-type: none"> <li>Identify different outpatient parenteral antimicrobial therapy delivery models</li> </ul>	Dr. Bashayer Alshehail

	<ul style="list-style-type: none"> <li>Describe the self-administered outpatient parenteral antimicrobial therapy (S-OPAT) program</li> <li>Review an existing program workflow by sharing the experience of a tertiary care hospital in Saudi Arabia</li> </ul> <b>AUN# 0662-0000-24-014-L01-P</b> <b>CE hour: 20 minutes</b>	
16:45 – 17:05	<b>Stenotrophomonas maltophilia: Challenges and Treatment</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Review the current challenges in the treatment of stenotrophomonas infection</li> <li>Discuss the current treatment strategy for stenotrophomonas infection</li> <li>Explain evidence behind the use of novel antibiotics in MDR Stenotrophomonas</li> </ul> <b>AUN# 0662-0000-24-015-L01-P</b> <b>CE hour: 20 minutes</b>	Dr. Sara Almuhsen
17:05 – 17:25	<b>The Shorter It Is, The Better: Latest Updates of Therapy Duration in Common Infectious Diseases</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Review the latest updates for the duration of therapy for infectious diseases</li> <li>Discuss the application for the duration of therapy for infectious diseases in pharmacy practice</li> </ul> <b>AUN# 0662-0000-24-016-L01-P</b> <b>CE hour: 20 minutes</b>	Prof. Abdullah Almohaizie
17:25 – 17:40	Panel Discussion	
<b>End of Day 2</b>		
<b>Day 3: Friday, September 13, 2024</b>		
<b>Time</b>	<b>Topic</b>	<b>Speaker</b>
<b>Special Panel 2: Managing Clinical Pharmacy Services Across Different Institutions</b> <b>Moderator: Dr. Abdullah Alhammad</b>		
08:30 – 09:20	Managing Clinical Pharmacy Services Across Different Institutions	Dr. Rayd Almehezia Dr. Mukhtar Alomar Dr. Hala Joharji Dr. Abdullah Alrajhi
09:20 – 09:30	Coffee Break	
<b>Session 5: Beyond Boundaries: Pioneering Precision and Innovation in Healthcare</b> <b>Moderator: Dr. Hana Al Alshaykh</b>		
09:30 – 09:50	<b>Pharmaceutical Industry Ventures and Innovation: A Newer Leverage</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Describe key strategies involved in managing ventures and innovation within pharmaceutical industry</li> <li>Discuss the nature of operation and business management in pharmaceutical industry</li> <li>Describe a strategic plan for pharmaceutical industry venture that incorporates innovative leverage techniques</li> </ul> <b>AUN# 0662-0000-24-017-L99-P</b> <b>CE hour: 20 minutes</b>	Prof. Amer Alanazi
09:50 – 10:10	<b>Advances in Pharmacogenomics: Shaping Personalized Patient Care</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Recognize the core principles of pharmacogenomics</li> <li>Describe how pharmacogenomics is revolutionizing patient care by enabling personalized treatment plans and enhancing outcomes</li> <li>Review the influence of existing and emerging pharmacogenomic data on clinical decision-making and the development of patient care guidelines</li> <li>Discuss future trends in pharmacogenomics research and their potential implications for advancing personalized medicine in clinical settings</li> </ul> <b>AUN# 0662-0000-24-018-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Cyrine-Eliana Haidar

10:10 – 10:30	<b>Biosimilars Unveiled: Understanding the Clinical Development Program</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Describe the key stages and regulatory requirements in the clinical development of biosimilars</li> <li>Discuss the process of clinical development program and the pathway to regulatory approval for biosimilars</li> <li>Review the ethical issues and safety considerations essential to the development and clinical use of biosimilars</li> </ul> <b>AUN# 0662-0000-24-019-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Ahmed AlKhaldi
10:30 – 10:50	<b>SSCP and SHIP Position Statement on Artificial Intelligence Utilization and Data Governance in Healthcare</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Identify key principles of the use of artificial intelligence (AI) and data governance in healthcare outlined by the Saudi Society of Clinical Pharmacy (SSCP) and Saudi Health Informatics and Privacy (SHIP) position statement</li> <li>Recognized specific impacts of AI and data governance on pharmacy practice in healthcare</li> <li>Identify ethical and legal considerations pharmacists must recognize when implementing AI technologies and data governance strategies in healthcare</li> </ul> <b>AUN# 0662-0000-24-020-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Abdulrahman Alshaya
10:50 – 11:10	<b>Artificial Intelligence and Vigilance: Using AI to Optimize Patient Safety</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Explain how artificial intelligence (AI) is being integrated into clinical pharmacy to enhance patient safety and care</li> <li>Describe the advantages and obstacles of implementing AI technologies in pharmacy practice, including improved accuracy, efficiency, and patient outcomes</li> <li>Discuss strategies for effectively integrating AI technologies into clinical pharmacy to optimize patient care and service quality</li> </ul> <b>AUN# 0662-0000-24-021-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Abdulgader Almoeen
11:10 – 11:30	Panel Discussion	
11:30 – 13:30	Prayer and Lunch Break	
<b>Session 6: Biotech Horizons: Navigating Advancements in Biotechnology</b> <b>Moderator: Dr. Najwa AlGhamedi</b>		
13:30 – 13:50	<b>Role of Saudi Food and Drug Authority in Achieving National Biotechnology Strategy</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Recognize the SFDA's regulatory framework in achieving national biotechnology strategy</li> <li>Identify the impact of SFDA's regulatory policies on the biotechnology sector development</li> <li>Discuss future insights and directions on developments in biotechnology</li> </ul> <b>AUN# 0662-0000-24-022-L99-P</b> <b>CE hour: 20 minutes</b>	H.E. Prof. Hisham Aljadhey
13:50 – 14:10	<b>The Role of Research Centers in Achieving National Biotechnology Strategy</b> <b>Objectives:</b> <ul style="list-style-type: none"> <li>Define the specific roles that research centers play in the development and expansion of the biotechnology field</li> <li>Examine the impact of research centers on biotechnology advancements</li> <li>Discuss the current initiatives and future directions in biotechnology being pursued by research centers</li> </ul> <b>AUN# 0662-0000-24-023-L99-P</b>	Dr. Hisham Badreldin

	<b>CE hour: 20 minutes</b>	
14:10 – 14:30	<b>Fostering the Public-private Partnership to Advance Biotechnology Objectives:</b> <ul style="list-style-type: none"> <li>Recognize different public-private partnership (PPP) models in the biotechnology sector</li> <li>Assess the advantages and obstacles of PPPs in biotechnological advancements</li> <li>Identify key strategies that contribute to successful PPPs in biotechnology</li> </ul> <b>AUN# 0662-0000-24-024-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Abdelali Haoudi
14:30 – 14:50	<b>Localized Innovation: Where We Stand in Biological and Gene Therapy Objectives:</b> <ul style="list-style-type: none"> <li>Describe the current status of biologics and gene therapy.</li> <li>Review recent advancements in biologics and gene therapy.</li> <li>Review the impact of localized innovations in biologics on the local market and patient care.</li> <li>Discuss the importance of collaboration between stakeholders in driving innovation and overcoming challenges.</li> </ul> <b>AUN# 0662-0000-24-025-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Raed Al-Swayed
14:50 – 15:05	Panel Discussion	
15:05 – 15:15	Coffee Break	
<b>Session 7: Harnessing Formulary Management, Data and Resources for Smarter Healthcare</b> <b>Moderator: Dr. Nada Alagil</b>		
15:15 – 15:35	<b>Medication Utilization Evaluation for Enhanced Patient Safety: The SFDA MUE Initiative Objectives:</b> <ul style="list-style-type: none"> <li>Explain medication utilization evaluation (MUE) and its role in patient safety</li> <li>Discuss the SFDA MUE National Study: key findings and insights</li> <li>Review MUE data for targeted interventions and continuous improvement</li> </ul> <b>AUN# 0662-0000-24-026-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Solaiman Alhawas
15:35 – 15:55	<b>Integrating Pharmacogenomics into Healthcare Medical Records and Hospital Protocols Objectives:</b> <ul style="list-style-type: none"> <li>Discuss the importance of integrating pharmacogenomics into hospital systems and protocols to improve patient outcomes.</li> <li>Discuss the necessary infrastructure within medical records systems and hospital protocols to incorporate pharmacogenomic information effectively.</li> <li>Explain standardized protocols for the use of pharmacogenomic data in clinical decision-making to ensure safe and effective patient care.</li> <li>Describe a continuous monitoring system to assess the impact of pharmacogenomics on healthcare outcomes.</li> </ul> <b>AUN# 0662-0000-24-027-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Cyrine-Eliaana Haidar
15:55 – 16:15	<b>Building the Foundation: Drug Information Role in Designing Effective Data Collection System for Real-World Evidence Objectives:</b> <ul style="list-style-type: none"> <li>Recognize the importance of effective data collection sheets for real-world evidence (RWE)</li> <li>Discuss core principles for designing effective data collection sheets for real-world evidence (RWE)</li> <li>Review data collection sheets for specific real-world evidence (RWE) studies</li> </ul>	Dr. Shatha Almuhaideb

	<b>AUN# 0662-0000-24-028-L99-P</b> <b>CE hour: 20 minutes</b>	
16:15 – 16:30	Panel Discussion	
<b>End of Day 3</b>		
<b>Day 4: Saturday, September 14, 2024</b>		
Time	Topic	Speaker
<b>Session 8: Taking Critical Care and Emergency Medicine Knowledge to the Next Level</b> <b>Moderator: Dr. Abdulrahman Alshaya</b>		
08:30 – 08:50	Current Trends and Breakthroughs in Emergency Medicine <b>Objectives:</b> <ul style="list-style-type: none"> <li>Review recent advancements in emergency medicine literature</li> <li>Identify emergency medicine-related updates that enhance patient care, and improve clinical outcomes</li> <li>Review emerging trends in emergency medicine research</li> </ul> <b>AUN# 0662-0000-24-029-L99-P</b> <b>hour: 20 minutes</b>	Dr. Allyson Wexler
08:50 – 09:10	Immunocompromised Patients in ICU: What to consider? <b>Objectives:</b> <ul style="list-style-type: none"> <li>Identify key considerations and best practices for the management of immunocompromised patients in the intensive care unit (ICU)</li> <li>Discuss strategies for preventing and managing immunocompromised patients-related complications in the ICU</li> <li>Discuss the challenges associated with managing infections in immunocompromised patients admitted to the ICU.</li> </ul> <b>AUN# 0662-0000-24-030-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Marwa Amer
09:10 – 09:30	Impact of Plasma Exchange on ICU Medications <b>Objectives:</b> <ul style="list-style-type: none"> <li>Explain the dynamic of plasma exchange machines used for certain cases in the intensive care unit (ICU)</li> <li>Discuss the impact of plasma exchange on the pharmacokinetics, dosing requirements, and therapeutic outcomes of medications commonly administered in the ICU setting, including antimicrobials and anticoagulants</li> <li>Discuss the implications of plasma exchange on drug monitoring and therapeutic drug monitoring practices in the ICU</li> </ul> <b>AUN# 0662-0000-24-031-L01-P</b> <b>CE hour: 20 minutes</b>	Dr. Raed Kensara
09:30 – 09:50	Simplified Approach for Managing Poisoned Patients <b>Objectives:</b> <ul style="list-style-type: none"> <li>Identify key principles and guidelines for the initial assessment and management of poisoned patients in the emergency department</li> <li>Explain a systematic approach for the rapid identification of toxic substances and assessment of the poisoning severity based on clinical presentation, history and laboratory findings</li> <li>Describe simplified algorithms and decision-making tools for poisoned patient management</li> </ul> <b>AUN# 0662-0000-24-032-L01-P</b> <b>CE hour: 20 minutes</b>	Dr. Ahmed Aljabri
09:50 – 10:05	Panel Discussion	
10:05 – 10:15	Coffee Break	
<b>Session 9: The Pivotal Role of Ambulatory Care Pharmacy</b> <b>Moderator: Dr. Rana Almohaimeed</b>		
10:15 – 10:35	Heart Matters in Cancer Care: Updates and Management in Cardio-Oncology <b>Objectives:</b> <ul style="list-style-type: none"> <li>Recognize principles of cardio-oncology in the management of cancer patients with cardiovascular complications</li> </ul>	Prof. Jo Ellen Rodgers

	<ul style="list-style-type: none"><li>• Discuss the cardiotoxic effects of common oncological treatments and the mechanisms</li><li>• Review of the current strategies for monitoring heart health in cancer patients receiving cardiotoxic anticancer agents</li><li>• Explain practical approaches in the management of cardiac complications in oncology</li></ul> <b>AUN# 0662-0000-24-033-L01-P</b> <b>CE hour: 20 minutes</b>	
10:35 – 10:55	<b>Expanding Pharmacist Role Towards Preventive Medicine in Public Health</b> <b>Objectives:</b> <ul style="list-style-type: none"><li>• Discuss the public health role in promoting public health</li><li>• Describe the role of pharmacists in public health planning and promotion</li><li>• Identify new opportunities for ambulatory care pharmacists' involvement in future public health initiatives</li><li>• Discuss examples of pharmacists' contributions to promoting public health</li></ul> <b>AUN# 0662-0000-24-034-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Bashayr Alsuwayni
10:55 – 11:15	<b>Effective Strategies to Establish an Ideal Ambulatory Care Clinic</b> <b>Objectives:</b> <ul style="list-style-type: none"><li>• Describe the principles and advantages of establishing an ambulatory care pharmacy clinic</li><li>• Recognize ambulatory care potentials and enhance patient outcomes</li><li>• Discuss a structured approach for developing an effective plan for an ambulatory care pharmacy clinic, encompassing key elements such as service offerings and regulatory compliance</li></ul> <b>AUN# 0662-0000-24-035-L99-P</b> <b>CE hour: 20 minutes</b>	Dr. Abdulaziz Alqahtani
11:15 – 11:25	Panel Discussion	
<b>Special Panel 3: Ambulatory Care Clinical Pharmacy: A Sustainable Service</b> <b>Moderator: Dr. Aysha Bader</b>		
11:25 – 12:15	Ambulatory Care Clinical Pharmacy: A Sustainable Service	Dr. Abubker Omaer Dr. Abdulaziz Alhossan Dr. Sarah Abutaily
12:15 – 13:30	Prayer and Lunch Break	
<b>End of Day 4</b>
